**INSTRUCTIONS FOR FILING APPLICATION FOR EXTENSION OF TIME TO FILE
IRONTON INCOME TAX RETURN**

Any taxpayer can request an extension of time in which to file their Ironton Income Tax Return by submitting a copy of their federal extension request to the Tax Department on or before the original due date of the return. The extended due date of the municipal income tax return shall be the last day of the month following the month to which the due date of the federal income tax return has been extended.

No penalty shall be assessed in those cases in which the return is filed and the final tax paid within the extension period provided all other filing and payment requirements of the Income Tax Code had been met. Interest accrues on any tax due on the return from the original due date of the return until the date the tax is paid. Please call the Ironton Tax Department at (740) 532-9241 for the current interest rate. If it becomes evident upon further examination that declaration filing and payment requirements of the Income Tax Code have not been fulfilled, penalty and interest may be assessed in full and in the same manner as though no extension had been granted.
